IFSR Newsletter August 2026

PRESIDENT'S MESSAGE

As your IFSR President, I want to highlight three opportunities to serve Scouting and Guiding, promote IFSR, and enjoy fellowship with Scouting Rotarians around the world.

1. Connect with IFSR Online: IFSR has truly entered the 21st century! Zoom has made it possible for Scouting Rotarians around the world to connect without traveling. This year we have hosted an open membership meeting in May and virtual opportunities related to the Rotary International Convention in Taiwan and the

Scouting America National Jamboree. Watch for future online events and join us whenever you can.

2. Support Youth Career Exploration: In my Rotary District 5320, Rotarians recently partnered with the Anaheim Fire Department's Search and Rescue Explorer Post to educate children about bicycle safety during the Day of the Child celebration.

Scouting America's Explorer Posts introduce young people to potential careers while they are still in high-school. Programs sponsored by fire departments, police departments, hospitals, businesses, chambers of commerce, and other organizations provide valuable hands-on experiences. Rotary clubs can play an important role by partnering with these programs and supporting students, Scouts, Interactors, and Rotaractors as they prepare to become tomorrow's leaders.

3. Promote Rotary and Scouting: Every Scouting event and every Rotary event provides an opportunity to strengthen the partnership between our two organizations. I encourage our Cliff Dochterman Award recipients and all IFSR members to promote both Rotary and Scouting whenever possible.

In District 5320, for example, Brian Russell, California IFSR Chair, serves as Rotary District Youth Chair, is a past Rotary club president, and is active with both the local Scout council and YMCA. Aaron Saliba, District 5320 IFSR Chair, is also a past Rotary club president and serves as a Scout leader in a Catholic troop. Their commitment demonstrates the many ways Rotarians can make a difference through Scouting.

The photo shows, left to right, PDG Lane Calvert, Charlie Wilson, Aaron Saliba, and PDG Craig Livingston from the Anaheim Rotary club at an event with the fire explorer post that Anaheim Rotary Club sponsors where they shared bike safety precautions with youth and adults .

Whether online or in person, I encourage you to join IFSR this year as we work together in service to the youth of the world.

IFSR Annual Meeting at RI Convention in Taipei, Taiwan

28 IFSR members from 8 countries attended the IFSR Annual Meeting

Left: Randy Seefeldt addresses the IFSR Annual Meeting as Lane Calvert participates on Zoom. Right: Lee Peters with IFSR delegate at IFSR Annual Meeting.

The IFSR Annual Meeting is held each year during the Rotary International Convention. This year's meeting took place on June 15 in Taipei, Taiwan, with 28 members representing eight countries in attendance. The principal business included approval of the revised IFSR Constitution and Bylaws and the 2026–2027 IFSR Leadership Roster.

Additional business included plans for the IFSR Reception at the Scouting America National Jamboree, scheduled for July 25 at 3:00 p.m. Pat Curley, Ed.D., will coordinate the event, including the IFSR display, brochures, and refreshments. He will also collect membership payments and Cliff Dochterman Award fees and forward them to Randy Seefeldt so awards can be shipped promptly.

To maintain WOSM Consultative Status, IFSR must comply with youth protection requirements. Lee Peters and Pat Curley will compare Rotary's Youth Protection Policy with WOSM's Safe from Harm safeguarding guidelines.

Randy Seefeldt will continue to keep members informed about booth planning and hotel accommodations for the 2027 Rotary International Convention in Barcelona as additional information becomes available.

The meeting also reminded members that August 1 was the deadline for articles and photos for this issue of the IFSR newsletter.

The Rotary Convention

The 2026 Rotary International Convention was held June 13–17 in Taipei, Taiwan, at the Taipei Nangang Exhibition Center and the Taipei Dome. Approximately 38,000 Rotarians and guests from more than 140 countries attended.

At the opening ceremony, Taiwan President Lai Ching-te welcomed attendees and encouraged Rotarians to continue their humanitarian work around the world. He said, *"Let's work together to Do Good in the World."*

Throughout the convention, IFSR operated a booth in the House of Friendship, where volunteers introduced Rotarians to the fellowship and its mission of strengthening the partnership between Rotary and Scouting. The booth resulted in 26 new IFSR members, with 11 memberships completed and 15 additional applications pending.

Convention highlights included an address by Malala Yousafzai, the youngest recipient of the Nobel Peace Prize, and an update from Mike McGovern, Chair of the Global Polio Eradication Initiative's Polio Oversight Board, on Rotary's continued progress toward a polio-free world.

IFSR & Scouts of China (Taiwan) Form Alliance

During the 2026 Rotary International Convention in Taipei, the International Fellowship of Scouting Rotarians (IFSR) and the Scouts of China (Taiwan) signed a landmark Memorandum of Understanding (MOU) establishing a formal partnership to strengthen cooperation between Rotary and Scouting throughout Taiwan. The agreement builds upon the worldwide relationship between the World Organization of the Scout Movement (WOSM) and IFSR while creating new opportunities for collaboration at the national level.

The Memorandum of Understanding was signed at the headquarters of the Scouts of China (Taiwan) by Tsai Wen-Huang, Chair of the IFSR Taiwan Section, and Dr. Wu Chung-Jen, Chair of the Committee on Organizational Development and Membership Growth of the Taiwan Scout Association. The ceremony was witnessed by Randy Seefeldt, IFSR Executive Secretary, Toby Suzuki, IFSR Asia-Pacific Region Chair, and Professor Yang Yong-Ching, Secretary General of the Taiwan Scout Association.

The partnership focuses on five key areas of cooperation:

- Leadership development
- Joint community service projects
- Shared facilities and resources
- Career exploration and vocational development

Promoting Scouting within the business community

Professor Yang noted that the two organizations share common values, observing that Scouting's commitment to service closely parallels Rotary's motto, "Service Above Self." Randy Seefeldt emphasized that Rotary and Scouting have worked together for more than a century in communities around the world. He noted that this agreement will strengthen that relationship in Taiwan by combining Rotary's expertise in vocational service with Scouting's leadership development programs to better prepare young people for lives of service.

The agreement represents another important step in expanding cooperation between Rotary and Scouting worldwide. By combining the strengths of both organizations, IFSR and the Scouts of China (Taiwan) will create new opportunities for young people to develop leadership skills, explore careers, serve their communities, and become engaged citizens.

IFSR Asia-Pacific Region Chair and IFSR Executive Secretary Randy Seefeldt

IFSR At Scouting America National Jamboree

The Scouting America National Jamboree opened on July 22, 2026, at the Summit Bechtel Reserve in Glen Jean, West Virginia, welcoming approximately 15,000 Scouts, Venturers, Explorers, adult leaders, staff, volunteers, and community supporters from across the United States.

Throughout the Jamboree, July 22–30, IFSR hosted an exhibit in the Alumni Adventures Tent, which featured numerous Scouting alumni organizations, including the National Eagle Scout Association, Medical Professionals Scouting Alumni Association, Alpha Phi Omega, the Sons of the American Revolution, Environmental Professionals, and others. The exhibit gave alumni an opportunity to reconnect while introducing Scouts to organizations that support lifelong involvement in Scouting.

The IFSR exhibit was staffed by Membership Chair Pat Curley and Inter-America Chair Lee Peters, with assistance from members of the local Rotary Club and Scouting Rotarians attending the Jamboree. They introduced Rotarians to the International Fellowship of Scouting Rotarians and encouraged Scouts and adult leaders to develop partnerships with their local Rotary clubs. They also highlighted the many opportunities Rotary offers to support Scouting and collected contact information from Scouters interested in learning more about IFSR.

On Saturday, July 25, Pat Curley and Lee Peters presented a program on the partnership between Scouting and Rotary, followed by a reception attended by Scouting Rotarians at the Jamboree and IFSR officers, including President Lane Calvert, via Zoom.

The exhibit, program, and reception demonstrated the strength of the Rotary–Scouting partnership. By working together, the two organizations are developing future leaders, strengthening communities, and making a lasting difference in the lives of young people around the world.

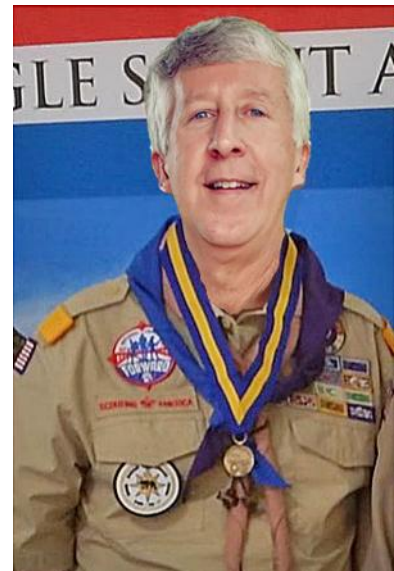

IFSR Presents Awards At Scouting America National Jamboree

Mike Matzoner Receives Cliff Dochterman Award

On Saturday, July 25, Pat Curley and Lee Peters presented a program on the partnership between Scouting and Rotary International, followed by a reception attended by Scouting Rotarians at the National Jamboree and IFSR officers, including President Lane Calvert, via Zoom.

During the program, Rotary District 7730 presented the Cliff Dochterman Award to Dr. Mike Matzinger in recognition of his outstanding service to both Scouting America and the Rotary Club of The Friendship Knot.

Mike was recently honored with Scouting America's Silver Antelope Award, one of the organization's highest national honors for adult volunteers. During more than 30 years of service, he has founded seven Scouting units, guided hundreds of young people on their Scouting journeys—including 98 Eagle Scouts—and has been a champion for diversity, inclusion, and international outreach

Marcia French Receives Paul Harris Fellow Recognition

During the same program, Pat Curley presented Marcia French, Scouting America's Messengers of Peace Chair, with a Paul Harris Fellow recognition.

As Messengers of Peace Chair, Marcia helps young people understand their place in world Scouting by encouraging them to express themselves, build friendships across cultures, and recognize that they are part of a worldwide Scouting movement serving youth in 176 countries.

POLAND 2027

World Scout
26th Jamboree
Scout Mondial

The 26th World Scout Jamboree will be held July 30–August 8, 2027, on Wyspa Sobieszewska, a Baltic Sea island within the city of Gdańsk, Poland. Scouts from around the world will gather for this international celebration of friendship, adventure, and cultural exchange.

Wyspa Sobieszewska (Sobieszewo Island) is a scenic Baltic Sea island and a quiet district of Gdańsk, just 15 minutes from the city center. It features an 11-kilometer (7-mile) stretch of wide, uncrowded sandy beaches and clean bathing waters. The island is also home to two renowned nature reserves—Ptasi Raj (Bird Paradise) and Mewia Łacha (Seagull Shoal)—which provide habitat for hundreds of migratory bird species and the Baltic gray seal. With its cycling routes, hiking trails, and water sports, the island is a popular destination for outdoor recreation. In the summer of 2027, this peaceful natural setting will be transformed into a vibrant city of tents as thousands of Scouts from around the world gather for the 26th World Scout Jamboree.

Youth participants must be 14–17 years old during the event (born between July 30, 2009, and July 30, 2013). Adults aged 18 and older may serve as International Service Team (IST) volunteers or as members of their contingent's management team.

IST volunteers will begin arriving on July 27, with Scout contingents arriving on July 29. The Jamboree officially opens on July 30 with the Opening Game and Opening Ceremony.

A special celebration on August 1 will commemorate the 120th anniversary of Scouting. The Jamboree concludes with the Closing Ceremony on August 8, followed by departures of participants on August 9 and IST volunteers on August 10.

Additional information about the program and activities will be announced as the event approaches.

IFSR Publishes Book On Scouting in Juvenile Detention Facility

The book, *Orsa Maggiore: Una storia di servizio, una storia vera* ("Ursa Major: A Story of Service, A True Story"), tells the remarkable history of the Orsa Maggiore Scout troop that operated within the Casa di Rieducazione di Eboli, a juvenile detention and rehabilitation facility in Italy during the 1950s and 1960s. It documents how Scouting helped transform the lives of young offenders through education, service, and hope.

The book was published by Edizioni IFSR (International Fellowship of Scouting Rotarians) in collaboration with Fiordaliso (the Italian Scout publishing house) and AGESCI (the Italian Catholic Guides and Scouts Association).

The authors are active members and leaders of the IFSR Italy Section:

Dino Bruno serves as President of the IFSR Italy Section.

Nicola Ciancio serves as Treasurer of the IFSR Italy Section.

Gaetano Pastore is associated with the project through IFSR

A reception at the Salerno Chamber of Commerce with the authors and the District Governor.

The book tells a remarkable story of the power of Scouting. In 1958, the Orsa Maggiore ("Great Bear") Scout Troop was established within a juvenile re-education institution in Eboli, Italy. Organized as a fully functioning Scout troop, approximately 30 boys, ages 12 to 14, participated in the Scout program under the leadership of educator Pietro Iorio, Rover Scout Antonio Rigoletto, and chaplain Don Donato Paesano. Rather than emphasizing punishment, the troop used Scouting's patrol method, leadership, service, and personal responsibility to help young offenders develop character, accountability, and citizenship. The patrols became what Iorio described as a "laboratory of democracy," where boys learned that mistakes should be corrected and knowledge shared with others.

Matt Barth Receives Cliff Dochterman Award

Matt Barth (right) of the Riverside East Rotary Club and current President of the California Inland Empire Council accepts the Cliff Dochterman Award from John Vineyard (left), President of Riverside Sunrise Rotary and immediate past President of the California Inland Empire Council on June 10, 2026.

Scout Friendship and Peace Camp

The Scout Friendship and Peace Camp, born from an initiative of the Rotary Club Brindisi, Italy, continues with great enthusiasm. The project is carried out in collaboration with the support of Italian Scouts & Guides, and the International Fellowship of Scouting Rotarians – Italy Section.

The camp welcomed eight Ukrainian girls, accompanied by their two Scout leaders, offering them an experience of friendship, sharing, and serenity through the universal language of Scouting.

Riverside Sunrise Rotary Supports Scouting America

On behalf of the Riverside Sunrise Rotary Club of California, John Vineyard presents a check for \$2,500 to Soul Ruiz of the California Inland Empire Council for the Community Friends of Scouting Campaign.

Scouts from Troop G Receive Support From Riverside Sunrise Rotary

John Vineyard, President of the Riverside Sunrise Rotary Club presenting a check for \$2,000 to Scouts from Troop 5G in Riverside to assist with summer camp registration fees at Camp Emerson.

Scouts Help Rotary Lead Successful Beach Cleanup in Spain

The Rotary Club of Ferrol, Spain, led the "On the Beach, Only Sand" campaign, bringing together volunteers to remove more than 13,200 pounds of litter from Caranza Beach.

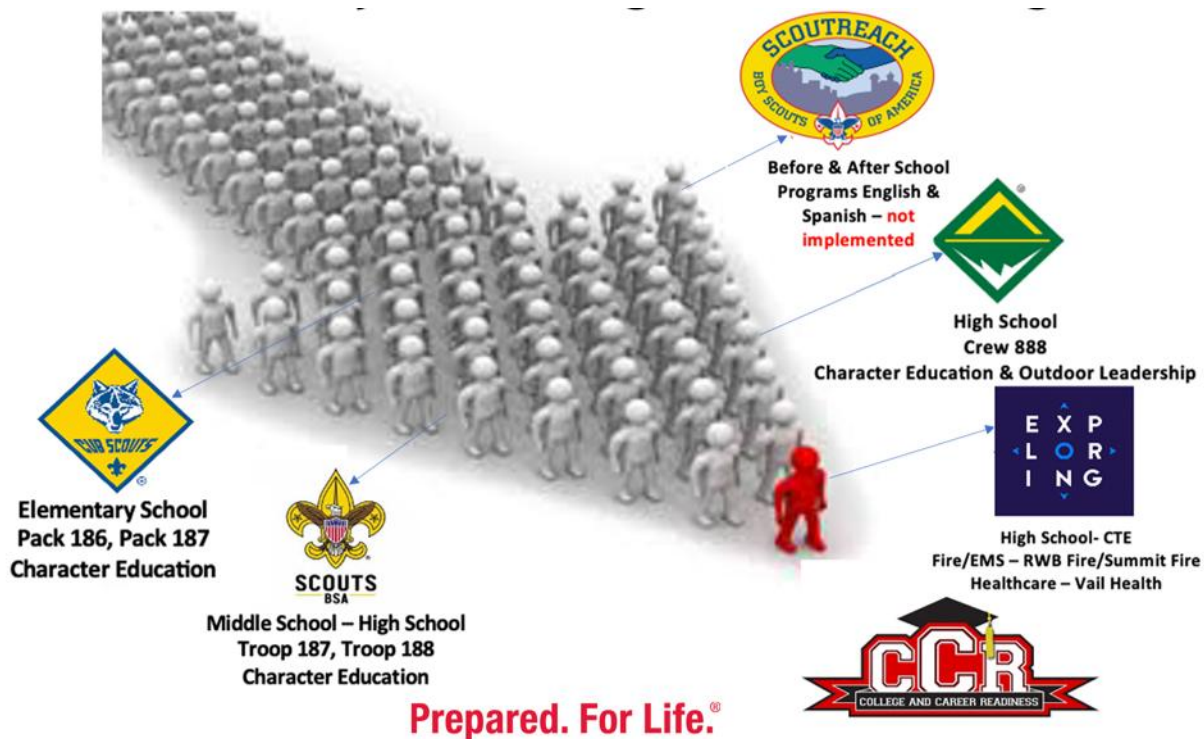

Among the many volunteers, Scout Group 19 Ferrol played a major role in the cleanup effort, demonstrating Scouting's commitment to community service and environmental stewardship. Working side by side with Rotarians and other volunteers, the Scouts helped restore the beach while promoting environmental awareness throughout the community.

The campaign also raised 1,800 euros for the Aperta Foundation, a local organization that supports vulnerable individuals with intellectual and developmental disabilities.

The project is an excellent example of how Rotary and Scouting can work together to improve their communities through hands-on service while making a positive difference in the lives of others.

Summit County Rotary's Scouting America Programs

The **Summit Rotary Club** of Breckenridge, Colorado, serves as the chartered organization for all Scouting units in Summit County. The club sponsors two Cub Scout Packs, three Scouts BSA Troops, one Venturing Crew, and supports an Exploring program.

Rotary Club members view these programs as a continuous pathway for youth development. Young people begin in Cub Scouting during elementary school, continue through Scouts BSA in middle and high school, participate in Venturing during their teen years, and can then enter Exploring, which introduces high school students to career fields such as fire and rescue, healthcare, law enforcement, engineering, and other professions.

The club also emphasizes the four basic paths available to graduating seniors:

1. Continue their education through college, university, or trade school.
2. Serve in the military.
3. Enter the workforce.

"Play video games while eating Cheetos in Mom and Dad's basement."

The humorous fourth option always gets a laugh, but it underscores the club's serious message: every young person should have a plan for the future.

In Colorado, Career and Technical Education (CTE) is a high priority, and the Exploring program provides an excellent way for students to explore careers, gain practical experience, and make informed decisions about their future.

In this county of 30,000 residents, Rotary brings the players together.

Rotary and Scouts Team Up for Lifesaving Skills Training

The Rotary Club of Bivona Montagna delle Rose Magazzolo in Sicily, Italy, partnered with the local Scout group to provide a three-hour emergency first aid program for 40 young people, ranging from Cub Scouts to Explorers, Guides, Rovers, and Scouts.

Rotary members served as instructors, beginning with classroom sessions on cardiopulmonary resuscitation (CPR), the use of a semi-automatic external defibrillator (AED), and airway obstruction relief. The participants then put their new knowledge into practice by performing CPR, AED procedures, and airway clearance techniques on training mannequins.

The event demonstrated the powerful partnership between Rotary and Scouting. By combining Rotary's professional expertise with Scouting's commitment to preparing young people for life, the program equipped participants with practical skills that could one day help save a life.

Rotary Supports Scout Chess Competition in England

The Rotary Club President Alan Corkhill presents the John Naish trophy to the winning Cub.

The Rotary Club of Salisbury, England, partnered with the Salisbury Scout District to host a chess competition for 55 Cub Scouts representing 12 Scout groups.

Held at Salisbury Methodist Church, the event encouraged young people to develop problem-solving, critical thinking, patience, and confidence through friendly competition. Players competed in timed matches while Scout leaders and volunteers provided guidance and encouragement throughout the afternoon.

Rotary members helped create a welcoming atmosphere by providing refreshments and certificates for all participants. At the conclusion of the event, Rotary Club President Alan Corkhill presented the prestigious John Naish Chess Trophy to the winner.

The competition demonstrated that Scouting offers much more than outdoor adventure, helping young people develop valuable life skills through activities ranging from strategy games and coding to cooking and the arts.
